

Dear Students,

Thank you for deciding to nominate a teacher for the Pembroke Education Foundation Teacher of the Year Award. Teachers are special people who all deserve to be thanked and rewarded. Thank you for taking the time to share your special teacher with us.

Remember that you can nominate any teacher, past or present, as long as they teach full-time in the Pembroke Public School system. The Teacher of the Year will receive \$5000 in the form of a grant that he/she can direct in any way he/she wants.

Please try to answer as many questions as you can on your own, being as specific as possible. Give examples or write about something that happened to show your point. You may ask for help from a friend or from an adult, but you may not receive help from a teacher in your school. It is acceptable to have someone else write what you want to say as long as you decide what to write.

If you need more room you may attach additional pages, but please put your grade and name on all papers that you hand in.

Lastly, don't forget to sign your own name and to ask your parent/guardian to sign it as well. There is also a Parent Nomination Form for all students in grades K-6. You **MUST** include a parent form, filled out by an adult, with your application if you are in grades K-6.

All nomination forms must be postmarked by **June 15, 2010** and mailed to the post office address that is found below.

Thank you.
